The letter of intent is important in the development process. It demonstrates that you are ready to participate in the Loan towards development of a feature film production.

LETTER OF INTENT

This letter of intent is made as of date _____,

by

Loan grantor _____, an individual, or corporation whose principal contact is:

This letter shall confirm my interest in providing a Loan to be used in development of the project currently titled,

Working title: _____

My involvement is contingent upon the final Loan agreement and my approval, and good faith negotiations of all terms and conditions.

This letter does not commit me to a Loan contract. It does attest to my suitability to participate in the development of this project with my funds.
